LEADERSHIP EXPERIENCE

Northwestern University, Evanston, Illinois

Computer Science Educator January 2025 – Present

- Teach concepts of computer science to 5th grade classes of 15+ students for 2.5 hours a week, promoting self-expression and confidence in STEM
- Support students' understanding of programming concepts such as functions and debugging through project-based activities with TunePad and SportSense
- Collaborate with educators weekly to deliver engaging lessons addressing areas of student weakness and attend weekly reflection sessions to improve teaching strategies

Northwestern University, Evanston, Illinois

The Women's Network (TWN) Campus Ambassador November 2024 – Present

- Engage with Northwestern community to recruit ~3 members a month and promote biweekly events, supporting professional development opportunities for women
- Attend monthly team meetings to plan networking events and develop strategies to maintain member engagement

Hampshire High School, Hampshire, Illinois

Physical Education Student Teacher, August 2022 – May 2024

- Developed weekly physical education lesson plans for a class of 30+ high school freshman students
- Assessed students' individual capabilities and tailored tournament brackets and physical activities accordingly
- Met daily with teacher and other student leaders to draft upcoming lesson plans focused on areas of student weakness

WORK EXPERIENCE

Potbelly Sandwich Shop, Algonquin, Illinois

Associate, January 2023 – Sep. 2024

- Sustained cleanliness and monitored hygiene habits to ensure customer satisfaction and health safety
- Adapted to high-stress rushes, managed customer complaints, and conferred with management
- Cultivated an environment of growth, supporting accountability and self betterment
